

# **Mikestone and the Dream Factory**

A Coloring Adventure for mikestone

**Mikestone sat in bed, worried because he was running out of his favorite dreams about flying go-karts and ice cream mountains.**

**Suddenly, his bed transformed into a big office chair, and a tiny mouse named CEO Squeaky appeared on a desk.**

**CEO Squeaky showed Mikestone a giant blueprint for Dream Inc., explaining how they turned daydreams into nightly adventures.**

**Mikestone put on a tiny executive hat and pointed to the 'Imagination Input' pipe, making sure the dream supply would never run dry.**

**The next morning, Mikestone woke up with a giant smile, knowing his dream delivery system was working perfectly.**
